Ger's Learning Notes: #17 Microlearning

by Ger Driesen

Microlearning, a very relevant topic which hasn't appeared in my learning notes yet. Why not? Well, I waited a bit to be able to do a live interview with 'the queen of microlearning' a.k.a. Shannon Tipton.

(1) Interview with 'the Queen of Microlearning' Shannon Tipton

by Shannon Tipton [@stipton](#)

What's it about?

Shannon 'Learning Rebel' Tipton explains the most important features

(2) Six common microlearning myths

by Clive Shepherd [@cliveshepherd](#)

What's it about?

Clive Shepherd says, I believe there is ample evidence to show how, when it
